PROFESSIONAL SUMMARY

A versatile and commercially astute professional offering a rare dual-competency in Financial Management and Video Production. Combines the analytical discipline of an Accountant with the visionary storytelling of a Director. With a proven track record bridging the gap between creative ambition and operational reality at SkyFaiba and Reconciliation at the Cross Ministry, I bring an unwavering commitment to accuracy, efficiency, and high-quality results. I excel in environments that require both structural organization and creative problem-solving, ensuring projects are not only imaginative and engaging but also delivered on time and within budget.

CORE SKILLS

- **Financial Management:** Financial Reconciliation, Accounts Payable & Receivable, Auditing & Compliance, Strategic Budgeting & Forecasting, Cash Flow & Liquidity Management, Store Keeping & Inventory Control.
- **Video Production:** Cinematography, Professional Camera Operation, Directing & Visual Storytelling, Live Broadcast Engineering (Switching & Streaming), Post-Production Editing (Color Grading, Sound Design).
- **Software & Tools:** QuickBooks, Advanced Microsoft Excel (Financial Data & Modeling), Google Workspace.

PROFESSIONAL EXPERIENCE

Accountant

2024 – Present

SkyFaiba, Nairobi

- Expertly manage complex bank and ledger reconciliations to ensure accuracy, maintain data integrity, and resolve discrepancies in a timely manner.
- Streamline accounts payable processes, optimizing working capital, ensuring timely vendor payments, and maintaining positive supplier relationships.
- Oversee accounts receivable cycles, effectively reducing outstanding debts and improving cash flow through proactive invoicing.
- Conduct thorough internal audits and generate detailed financial reports to support executive decision-making and regulatory compliance.
- Collaborate with department heads to formulate comprehensive annual budgets and track actual performance against financial forecasts.
- **Store Keeping:** Manage inventory control and store keeping operations, ensuring accurate stock reconciliation, detailed tracking of incoming and outgoing materials, and effective safeguarding of company assets.

Video Producer

2024 – Present

Reconciliation at the Cross Ministry, Nairobi

- Expertly operate professional camera systems to capture high-quality cinematic visuals, ensuring optimal framing, focus, and exposure under varying lighting conditions.
- Lead creative and technical teams on set to execute artistic visions, guiding talent and crew to deliver compelling visual narratives.
- Manage complex live broadcasts and multi-camera productions, engineering and operating video switchers to ensure seamless, high-reliability streaming outputs.
- Assemble and refine raw footage into polished final cuts, utilizing advanced post-production software to craft engaging stories through pacing, color grading, and sound design.

Freelance Camera Operator

Independent Projects, Kenya

- **Tukuza Award:** Served as a core Camera Operator, capturing high-quality live event footage and ensuring optimal visual coverage for the prestigious award ceremony.
- **Manyani NSY Graduation:** Operated professional camera equipment for the large-scale Manyani NSY Graduation, executing precise framing and focus for event broadcasting and archiving.

EDUCATION

Accounting Technician Diploma (ATD)

2023 – 2025

Nairobi Institute of Business Studies, Ruiru
